Hi Debra – Yes, I have to attend the haspoc meetings, but they rarely go the full 2 hours, if that is helpful. Thanks. Mike

Subject: Availability for aldicarb meeting - potential time slot?

Hi Mike

I was talking with Marion and Amy Blankinship about the aldicarb, yesterday afternoon. Amy requested that I set up a meeting for all of the teams the week of Sept. 3 to discuss current status and paths forward.

There is a potential time slot, but I wanted to ask if you normally attend the HASPOC meetings. As you are essential to this discussion, I want to be sure you are available. Please let me know if this time slot (9/5/19 at 1:00 pm) would be acceptable for your schedule.

Thank you!
Debra
